EMS Score Profile

Total Raw Score	28
EMS Score (T Score)	41
Percentile Rank (PR)	18

Results

This report is derived using ratings from the EMS Observer rating form. Sample EMS received an EMS Score of 41 and a percentile rank of 18. This places Sample EMS in the range of somebody experiencing mild difficulties with everyday memory tasks.

EMS Score Descriptive Classifications

Suggested ranges of interpretation for the EMS are as follows:

T Scores	Percentile Ranks	Descriptive Classification
45 and above	28 and above	Age-Appropriate Everyday Memory
40-44	15-27	Mild Difficulties With Everyday Memory Tasks
29-39	2-14	Moderate Difficulties With Everyday Memory Tasks
Below 29	Below 2	Significant Difficulties With Everyday Memory Tasks
